

PROMOTION PNEUMATIQUES

Valable du 12/11/2019 au 31/12/2019

JUSQU'À 35 % DE REMISE

GAMME PREMIUM PLUS (utilisation au-delà de 1 000 heures / an)

SPÉCIALEMENT CONÇU POUR LES APPLICATIONS LES PLUS SEVERES

- Conception «extra large» pour davantage de stabilité et un rendement horaire maximal.
- La formule CSF-1 réduit la température de fonctionnement.
- La plus faible résistance au roulement pour une consommation d'énergie la plus basse.

GAMME PREMIUM (utilisation jusqu'à 1 000 heures / an)

POUR LES APPLICATIONS EXIGEANTES

- Un design de la bande de roulement évolué pour une meilleure stabilité.
- Des crampons profonds pour allonger la durée de vie.
- Une gomme de bande de roulement spécifique pour améliorer la traction, le freinage et la sécurité.
- Une structure interne qui favorise la dispersion de la chaleur et le maintien sur la jante.

GAMME STANDARD (utilisation jusque 500 heures / an)

3 COUCHES

ADAPTÉ AUX UTILISATIONS COURANTES

L'équilibre entre un profil traditionnel et une technologie moderne.

. Convient aux matériels électriques comme thermiques

. Disponible dans un large éventail de dimensions.
